

0512A-1610BSE.1.88

Recessed ceiling-mounted downlight with symmetrical light distribution.

Circular design with trimless appearance in diameter 120mm.

Protection rating against dust and moisture: IP65 from underneath.

Aluminium body and circle powder painted in various finishes, customized RAL under request.

To complete the effect of this luminaire, it is suggested that the circle be painted the same RAL colour as the ceiling.

Interior trim of die-cast aluminium and flush glass sealed with a silicon gasket.

Tempered protection glass clear as standard, other finishes under request.

Ceiling-mounted using spring clamps for easy installation.
