

Design features

- Made of PE

DN	No. 9650	No. 9651
3/4" - 2"		
50 - 200		
250 - 500		

Plastic cap

For all „rigid“ type extension spindles

No. 9650

Sealing cap

For all „rigid“ type extension spindles

No. 9651

Design features

- Made of ductile iron, galvanised, with fixed bolts

DN	square bar	Weight	
50 - 200	20,5	0,65	
250 - 600	25,5	0,68	

Spindle head

For all „rigid“ type extension spindles

No. 8670

Design features

- Made of ductile iron, galvanised, with fixed bolts and splint

DN	Weight	
3/4" - 2"	0,15	
50	0,30	
65	0,30	
80	0,40	
100 - 150	0,40	
200	0,60	
250 - 350	0,80	
400 - 500	0,80	
500 - 600	1,44	

Spindle coupling

For all extension spindles

No. 8660
