Why buy this product

☑ The large wiring space enables the connection of solid and stranded conductors without ferrules, even above the nominal cross section

☑ Tested for railway applications

☑ As well as saving space, the compact design enables user-friendly wiring in a small amount of space

☑ The multi-conductor connection offers maximum flexibility and wiring density

☑ Optimum screwdriver guidance through closed screw shafts

☑ The cable entry funnel enables the use of conductors with ferrules and plastic collars within the nominal cross section
