

SLC DALI Bus Mini Power Supply 250mA

23/08/2022

S23004

Product description

DALI power supply, max. 250mA output

Mini DALI power supply, max. 250mA output

Match all DALI system in the market

Strain relief

IP-grade: IP20

Technical data

Other bus systems	Other
Max. output current	250 mA
Input voltage (V)	100 - 240
Power factor	0,95
Expected lifetime (Hours) (Ta 45°C)	50000
Dimming interface	DALI DT6, DALI DT8
Produced by	The Light Group

Mounting method	Flush mounted (plaster)
Secondary voltage	16 V
Frequency range (Hz)	50 - 60
Operating temperature	-20°C ~ +45°C
Tc (°C)	75
Brand	SLC
HS Code	85041080
