

SLC DALI Bus Mini Power Supply 100mA

23/08/2022

S23024

Product description

Mini DALI power supply, max. 100mA output

Mini DALI power supply, max. 100mA output
Match all DALI system in the market
Mini size, easy installation into existing wall boxes
IP-grade: IP20

Technical data

Other bus systems	Other
Max. output current	100 mA
Input voltage (V)	100 - 240
Power factor	0,95
Expected lifetime (Hours) (Ta 45°C)	50000
Dimming interface	DALI DT6, DALI DT8
GTIN	7070938063029
HS Code	85041080

Mounting method	Flush mounted (plaster)
Secondary voltage	16 V
Frequency range (Hz)	50 - 60
Operating temperature	-20°C ~ +45°C
Tc (°C)	75
Brand	SLC
Produced by	The Light Group
