

SLC Bult-in Remote RF 1 zone

08/04/2022

S50019

Product description

For use with rocker switch. Single and double switch coupling, on / off, dimming up / down.

For use with rocker switch. Single and double switch coupling, on / off, dimming up / down. With wires for easy connection. Battery operated (3V CR2430)

Technical data

Manual transmitter	No
Window transmitter	No
Signal transmission	Radio control
Mounting method	Flush mounted (plaster)
Material quality	Other
Surface protection	Other
Colour	White
Transmission range	30 m
Suitable for dimmer	Yes
Suitable for indication element	No
Mono	Yes
RGBW	No
Frequency range (Hz)	-
Battery included	Yes
Number of zones	1

Wall-mounted transmitter	Yes
With remote control	No
Number of channels	1
Material	Plastic
Halogen free	No
Surface finishing	Matt
Transparent	No
Suitable for switch	Yes
Suitable for venetian shutter switch	No
Suitable for movement sensor	No
Tunable White	No
Input voltage (V)	-
Battery power	Yes
Expected lifetime (Hours) (Ta 45°C)	50000

Brand	SLC
Produced by	The Light Group

Dimming interface	RF (Radio Frequency) 869,5MHz
GTIN	7070938058674
HS Code	85371098
