

**TECEflex 90° elbow pressure-loss optimised, silicon bronze**

Article number: 707320

Dimension: 20 x 20

Material: Silicon bronze

DU 1: 10 pc.

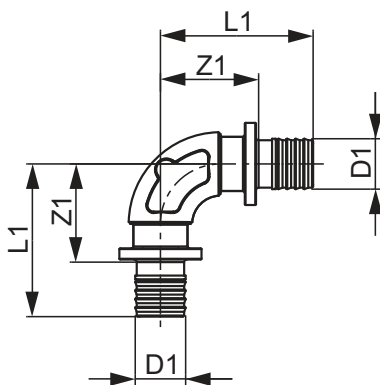

DU 2: 100 pc.

Description:

90° coupling made of silicon bronze, elbow with pressure-loss optimised design and favourable flow characteristics. Low zeta value due to low-loss change of direction via arcuate bends and the very nearly identical inner cross-section of the pipe and fitting.

Sales data:

Product name: TECEflex 90° elbow pressure-loss optimised Dimension 20 x 20, silicon bronze
Commodity group: 700
Product group: 1007000030

Dimensional drawings:

Dimension: 20 x 20

Z1: 28

L1: 45
