

NEW

DWS780 305MM MITRE SAW

- ① New increased capacity – to meet all your application requirements
- ② New integrated XPS® work light – shadow cut-line visibility no adjustment required
- ③ 1675W motor – power for all applications
- ④ Tall dual sliding fences for work piece stability and accuracy
- ⑤ Stainless Steel adjustable mitre detents for repeatable cut accuracy
- ⑥ Adjustable precision bearing and slide rail assembly - for long life performance and accuracy

- ⑦ Improved dust extraction
- ⑧ Compact portable design

Power input	1675W
Blade speed	1900-3800 rpm
Blade diameter	305mm
Blade bore	30mm
Mitre capacity	60/50°
Bevel capacity	49/49°
Max depth of cut	170mm
Width x Height x Depth	770 x 396 x 470mm
Weight	25kgs

ALSO AVAILABLE

HEAVY DUTY STAND RANGE AND ACCESSORIES

Extensive range of leg stands fully compatible with all DeWALT mitre saws

Ultra High Quality Blade Range - choose your blade according to material and application for the perfect cut

ACCURACY

Engineered for Accuracy

- Machined fence and base design
- Stainless steel mitre detents
- Fully adjustable, for lifetime accuracy

PRODUCTIVITY

Work longer, work faster

- XPS® worklight system offers:
 - Clear visible cut-line and illuminated work area
 - Fast set-up and repeatable accuracy

CAPACITY

New increased capacity to meet all your application needs

303 x 110mm

44 x 170mm

410 x 33mm

EASE OF USE

Simple and fast adjustments

- Clear, visible scales
- Intuitive bevel lock system
- Bevel stops for fast bevel set-up
- Depth stop facilitates common joinery techniques:

Half lap

Tenon

DURABILITY

Designed for the jobsite

- Long-life performance
- Heavy duty fence and table design

SYSTEM

Class leading material management solutions

- Compatible with all DeWALT leg stands and saw benches
- Full range of machine attachments available

DUST EXTRACTION

Improved dust management

- Efficient "in-line" dust deflector
- Increased dust removal rate

PORTABILITY

Compact and lightweight design

- Compact low-weight design (25KG)
- Two side handle points + top-carry handle
